Kia ora koutou katoa,

We hope you are all excited about attending the upcoming conference in September. Those who attended the workshop in Napier - do you remember the challenge?

Every student was to bring another student along - Have you found your hoa (friend)? If you have not kei te pai (it's ok), you still have time.

The local organising committee in Auckland have been working hard on the agenda, and we have some really interesting kōrero lined up for our 3 day hui! (20-22 September 2019)

We are still working through some of the logistics, however, travel this year can in the format of:

1. Return travel by bus from Hamilton to Tamaki Makaurau.
2. Driving – The criteria for reimbursement is carpooling; 3 – 4 people travelling together, all names will need to be included on the TWH Travel Request form, the owner of the vehicle will be reimbursed for the return trip.
3. Fly those attending south of Palmerston North.

If you are using public transport we will arrange pickup and drop to/from venue.
